Services we provide:

- Delivery, exchange and removal of roll off container to your site for garbage removal
- Sorting of containers for our customers to prevent a \$10,000.00 fine from the landfill for hazardous materials.
- Recycling of metal (No trucking charges for Scrap rolloffs) This includes containers for aluminum can recycling.
- Recycling of wood
- Recycling of card board
- Recycling of paper
- Recycling of thread protectors
- **ALL RECYCLEABLE CONTAINERS DO NOT ACCRUE DAILY RENTAL CHARGES**

Container Sizes and Rental Prices:

- **\$100.00 monthly rental 10yd, 20yd, 30yd or 20yd lidded rolloff containers**
- \$25/day 20yd trash trailers *bumper hitch for easy self-transporting from site to site
- \$750.00/mo 30yd compactors

Prices:

\$150/hr round trip from our yard and back for the initial delivery. Any exchange and the final pickup will be the initial delivery fee plus ½ hour for time spent at the landfill. If two containers on site and can be transported as a pup run, (two containers exchanged, delivered or finished on same site) this can be charged as one run @ \$200.00 per hour, instead of 2 runs at \$150.00 per hour. A landfill fee will incur (per ton) according to landfill prices/ current prices are \$40.00-\$44.00 per ton**** Oilfield trash sorted at rate of \$160.00 per ton.

Conditions:

- Metal is not allowed in garbage container. This will result in a sorting fee of \$250.00
- Garbage is not allowed in any recyclable container. This will result in a sorting fee of \$250.00
- Absolutely no radioactive or hazardous materials allowed. (Any radioactive waste will be returned to customer for disposal.)
- Pit liners are allowed at \$85.00/yd (this is our disposal fee)

All new customers will be required to put a credit card on file for payment or a deposit equal to trucking costs of initial delivery and final pick up.
